ORDER

ROBERT W. LEHRBURGER, United States Magistrate Judge.

This order resolves the parties' disagreement with respect to the ESI protocol's treatment of non-responsive information. The ESI protocol shall use the language proposed by Defendants (Salix), with the additional proviso that the redacting party identify the reason for redaction in a manner that permits the opposing party to assess the propriety of the redaction (e.g., "addresses product not at issue, specifically _____.")

SO ORDERED.

ROBERT W. LEHRBURGER
UNITED STATES MAGISTRATE JUDGE
